Berto opening

From the team behind neighbourhood pizzeria Zia Lucia comes Berto, an authentic, artisanal pasta restaurant that's just opened on Holloway Road. Serving up an intricate selection of fresh pasta made onsite daily, Berto brings genuine Italian flavours to Islington – with veggie, vegan and gluten free options available. Our recommendation? Don't let food envy get the best of you. Order one of everything on the menu. **Open now. 155 Holloway Road, London, N7.** berto.uk
